WHO WE ARE

Scoil Uí Chonaill GAA club was founded in 1950, initially to provide Gaelic games for pupils and past pupils of O'Connell School. Whilst retaining strong ties with O'Connell Primary and Secondary schools, we have grown to become a vibrant community-based club with ladies and men's football, camogie, and hurling teams at all ages.

Our Games Promotion Officer and others from the Club work to support the development of Gaelic games in five other north inner city DEIS schools. We also maintain a special bond with Scoil Neasáin in Artane.

Our clubhouse and large enclosed grounds are located on the seafront in Clontarf.

Advertising Opportunity

As part of our ongoing fundraising efforts, we are expanding the number of available pitchside signage slots this year.

Pitchside signage provides great brand exposure, helps to build lasting relationships with the local community, and provides organisations with new opportunities to connect with potential partners and collaborators.

Activities take place in our grounds all year round and include :

- Matches and training most evenings of the week for both adult & juvenile teams
- 'Scoil Hoppers' GAA Nursery with over 200 local children many parents participating every weekend
- The club grounds are also used for primary and secondary school matches
- The club has a strong social membership & the clubhouse is used by members & friends for functions & events

In addition to pitchside signage, our sponsor's brand will be highlighted on our Club Website along with a profile piece in our Club Newsletter to deliver your message.
